

Raising the Roof

We are well underway with Phase I of MCYC's Raise the Roof campaign. We began late September and will be complete with Phase I by October 31st. Phase I will re-pitch the north side of Hawley Lodge, covering the flat roof portion, and shingling the north side as well. Phase II will begin late March-April time frame when the south side of the lodge will be torn off and replaced with new shingles.

We have had several volunteers out helping to do this job and we are very grateful to them for lending a hand. This is allowing the camp to do the job for just the cost of the materials. Our goal is to have 100% of the funds raised before completion of the project.

Hawley Lodge needs the support of its members.

Goal: \$25,000

Currently at \$9,335

Three ways to donate.

Online at www.mcy.org, mail in your donation, or simply phone in your donation with a credit card (ask for Dana).
