Michigan Christian Youth Camp

MCYC has been serving groups from Michigan and beyond for over 60 years. We have over 100 organizations, from 8 – 250 people, that use our facility each year. Our mission is to provide an environment of growth for all campers that come to MCYC using principles that encourage campers towards mental, social, physical, and spiritual development. We look forward to partnering with you to help you meet your community goals.

Welcome to G.R.E.A.T. – Our Camp Experience Program

Retreats are an amazing way to help build your group community and grow closer together. We want all groups that come to MCYC to achieve a G.R.E.A.T. camp experience. The G.R.E.A.T. program at MCYC offers an opportunity for groups from all organizations to create a customized retreat to fit your goals. We know that every group that comes to MCYC is unique, and we want to partner with you as you meet the diverse needs of your organization.

To help you select the right combination of activities for your group, we have created five different program areas. You may choose any combination of activities that will make your camp experience G.R.E.A.T.

Games – Campers will experience and explore the outdoors with traditional camp and outdoor games. Use our ideas and resources or bring your own and use our space.

Recreational Group Fun – MCYC has many activities that you can choose from to enjoy with your group.

Elective Classes – MCYC offers a number of classes that will allow your group to experience specific interests including arts and crafts, nature, horses, and planned activities.

Achieve Community – Our activities help groups with cooperation, trust, communication, and problem solving for all ages and leadership opportunities.

Team Building – Campers will challenge themselves and expand their comfort zone to help build confidence within a team environment during these activities.

Getting Ready for Camp

We understand that planning a camp retreat can be overwhelming. This document is meant to help you navigate your preparations for coming to MCYC. Our goal is to make the process as easy as possible so that you can enjoy the experience as much as your students.

***Read the Leaders Guide.** There is some good stuff in here...items like what to bring, dorm layouts, chaperone guidelines, class descriptions, templates and other useful information you will need as you prepare for camp.

CAMP COMMUNICATION DEADLINES:

***AT BOOKING: Complete the Rental Request Form:** This form helps us get a general idea of how many people are attending and what your basic facility and meal needs are. It will help us confirm availability for an available date. After the rental request is completed, we can move forward in sending out a contract.

***AT BOOKING: Contract & Deposit:** A signed contract and requested deposit are necessary to secure a booking date.

***45 DAYS BEFORE: Complete the Activity Selection Form:** This form goes over the available activities and their cost. The deadline for activity selections is 45 days prior to your event, but we recommend submitting this as soon as you can. Activities are available on a first come, first serve basis. Some groups prefer MCYC led activities for their entire stay while other groups prefer none. Most groups will enjoy a hybrid of both. Choose the type and number of activities that help meet your camp goals.

***45 DAYS BEFORE: Scheduling Preferences:** Have your Group-led activities ready. Guest Services will contact you to obtain information on any group led activities that need to be merged into the camp schedule.

***14 DAYS BEFORE: Final Group Detail:** This form notifies us of your final numbers, allergen information and confirms other details for your visit. MCYC can accommodate pre-communicated gluten, dairy and nut allergies and vegetarian meals.

***ONGOING:** Keep us informed of any changes as we navigate through your scheduling process. Feel free to email programs@mcyc.org or call 810.664.8040 with updates and inquiries.

***ARRIVAL DAY: Waivers:** A waiver is required for every camper and adult when camp activities have been selected. Waivers are due at check-in. Collecting waivers prior to check-in will facilitate a quick process.

Chaperone Requirements

It is the responsibility of the school / group to obtain chaperones over 18 years old to accompany campers during cabin use, activities and meals. MCYC requires a minimum of one chaperone per every 10 campers. Two adults in each room at night is recommended.

Program Supervision / Behavior Management

MCYC facilitators will lead each activity. Chaperones are asked to be directly involved in the supervision of campers during these activities. This will ensure that behavior issues do not take away from the experience or safety of the campers. Facilitators may often offer chaperones the opportunity to join the activity, but this will not always be the case, especially during classes where time and proper supervision are critical to providing campers with a positive experience, such as team building. Our program is designed to function as a partnership between your group and camp staff. We all share in handling difficult behaviors. The camp staff will intervene in any minor situation that arises. **The designated chaperone is responsible for behavior situations that are deemed detrimental to the activities or the safety of the students so that camp staff can keep the activity on track.**

Cabin Supervision

Chaperones MUST be in the cabin anytime there are campers in the cabin. Cabins should be kept tidy. Chaperones are responsible to make sure quiet hours are observed between 10p-8a. Quiet time violations can be charged a fee of \$500 by Attica Township to be paid by the group in violation.

Dining Hall Supervision

The main role of a chaperone in the Dining Hall is to help ensure a relaxed, clean, and organized environment. This includes reinforcing manners, proper indoor behavior, and clean-up procedures.

Inclement Weather

Even a rainy day at camp is G.R.E.A.T. MCYC only cancels activities in the event of severe weather conditions including thunder & lightning storms, tornadoes, and extreme temperature conditions. In the event of very windy weather, horse program offerings may have to be adjusted or canceled. Be prepared to participate in outdoor activities.

Food Service

Meals are served chef's choice, cafeteria style at designated times. Meals are served for 30 minutes past the scheduled start time.

*Coffee, tea, and hot chocolate (seasonally) are available one hour before breakfast through one hour after dinner begins.

*Food restrictions need to be communicated 14 days prior to arrival. MCYC can accommodate pre-communicated nut, gluten, and dairy allergies and vegetarian diets. Other food restrictions may need to be supplemented by the guest.

*Groups are asked to wipe down tables and put up benches after each meal. Please plan for this in your schedule.

Outside Food

Food should not be stored in camp dorms. Snack tables can be provided in Hawley Lodge to store and serve group provided snacks. Please clean up after group snack times. Allergen concerns for snacks are group discerned.

Prohibited at Camp

MCYC is an alcohol and smoke-free facility. Please smoke in designated areas off of camp property. Pets are not allowed in camp buildings.

Cabin Check Out

Check out is 11a. Make sure all of your student's belongings are removed from the cabins. Wipe down any standing water on sinks, and mop up standing water on floors. Sweep out all cabins. Remove trash and place in large trash cans located outside the dorms.

Conference Room Check Out

Check out is 11a. Make sure all your food and supplies are removed from the conference room. Wipe down all counters and appliances. Sweep hard floors. Remove trash and place in large trash cans located outside the dorms. Conference room check out lists are located above the sink in each room.

Room Keys

Room keys can be provided if desired. Return keys to Guest Services in Hawley Lodge before you leave. Lost keys cost \$25 p/key to replace.

Camp Store

The camp store (Canteen) sells snacks, beverages, and camp merchandise. We accept credit cards for purchases over \$10 and cash. Canteen can be scheduled to fit your timing preference.

WiFi & Media Options

WiFi is available in Hawley Lodge. An overhead projector and sound system are also available in Hawley Lodge. Each conference room is equipped with a smart TV and ready for your hook up. WiFi may be available upon request.

Lost & Found Policy

MCYC is not responsible for items left behind, lost or stolen. Any items not claimed after 7 days are donated to a charitable organization or thrown away. Arrangements can be made, at family expense, to mail back items that have been left at camp. Items can also be picked up from camp if claimed within 7 days of departure.

Chaperone Guidelines

Your Role as a Chaperone

Congratulations! By agreeing to become a chaperone, you have agreed to an exciting yet challenging experience. The information here is designed to help you prepare for your role as a chaperone. If at any time you are unsure of your role, ask your Camp Host. Please set a good example of appropriate behavior, language, and attitude.

We thank you for taking time to attend camp, and hope you have an enjoyable experience! Your role as a chaperone:

***ENCOURAGE:** Use positive language to keep your campers on task. Maintain a positive, enthusiastic attitude during programs and activities...especially when campers are discouraged, etc.

***MOVE:** Adhere to the camp schedule to keep things running smoothly. Arrive at all activities & meals at the scheduled time.

***MANAGE:** Provide direction to campers who are disrupting activities. Camp Staff can handle minor disruptions while instructing, but larger issues will need to be addressed by you or referred to a teacher / group leader to keep the class on task.

***OBSERVE:** Team building events are designed to teach campers how to solve problems and work together. Chaperones should not give instructions or ideas that will help them complete the activity.

***PARTICIPATE:** Have fun! Participate when you can.

***SUPERVISE:** It's your role to accompany campers during cabin use, activities and meals making sure that camp is a safe place for campers to learn and grow.

- Campers must be accompanied by an adult anytime they are in the camp dorms.
- Encourage clean campers & tidy cabins for the benefit of all.
- Sleep matters. Create an expectation of good rest at night. Quiet hours run 10p-8a.
- Accompany campers to all activity sessions, providing direction when needed.
- Meal times should be calm and enjoyable. Be sure to clean up after your meal.

***FOLLOW:** All chaperones at camp are expected to follow camp policies. These include:

- Observe Quiet Time between 10p-8a to avoid a \$500 fee from Attica Township
- MCYC is a smoke-free property. Smoke only in designated areas, if needed.
- Alcohol and drugs are not permitted at MCYC.
- For your protection and the protection of all campers, always use the buddy system when accompanying campers around camp. A 2:1 camper / adult ratio ensures you are never alone with a camper.

***NEVER:** Physical punishment of any kind (calisthenics, exercise, hitting, kicking, pushing, hazing or deprivation of sleep or food) is strictly prohibited by State Law and Camp Policy.

Business Practices

Renewing Camp Dates

Many of our guests come back year after year. With the high demand for specific dates, it is our practice to try and retain your relative dates from year to year. However, sometimes dates need to remain flexible due to holiday fluctuations, calendar changes, or adjustments in camp accommodations. In this case, we will always attempt to find similar dates to the previous year, and contact you immediately regarding any changes. A signed contract and deposit are necessary to secure a rollover date.

Deposits & Billing

A non-refundable deposit is required when reserving a camp date. The deposit amount is based on your estimated invoice. Deposits will be 10% of your invoice with a minimum deposit of \$250.

EXCEPTION: Prime season (June - August) bookings require 25% deposit of the estimated invoice. Balance is due upon arrival. If different payment arrangements are necessary, please discuss it with us prior to arrival. Deposits and payments made with a credit card or PayPal will incur a 3% convenience fee.

Cancellations

Deposits may be transferred to a future date within 12 calendar months when notice of cancellation has been given 30 days in advance of the scheduled arrival date. However, a second cancellation will forfeit full deposit. **EXCEPTION: Prime season (June - August) bookings are forfeited upon first cancellation.** If it is necessary for MCYC to cancel a retreat, a full refund will be given.

Final Numbers & Variance

Final Numbers are due to the camp 14 days before your visit. A final invoice will be emailed to you based on these numbers. If adjustments to your schedule are needed based on final numbers, they will be made at this time. Dorm assignments will be given based on your male/female camper numbers. A 5% variance is allowed at time of check in.

Pricing

As a not-for-profit organization, our rates are established based on the balance between serving our mission and managing our financial obligations. In doing this, MCYC will continually strive to improve our facility and programs. Our pricing practice is simple: Be affordable so that everyone can experience a great camp program.
